

#### EmbVisage 1.0

International Conference on Embryo Culture Systems and Process Control

Shaping the Embryo's Journey – From Dish to Delivery through Evidence- based Lab Practice

#### Hosted by:

Department of Biomedical Engineering and CfHE – IIT Hyderabad

### **WELCOME MESSAGE**

#### Welcome to EmbVisage 1.0

It is with great enthusiasm that we welcome you to **EmbVisage 1.0**—a pioneering international conference that brings together the brightest minds in embryology, assisted reproduction, and fertility industry Hosted at the prestigious **IIT Hyderabad**, this three-day event is more than just a gathering—it is a celebration of innovation, evidence-based practice, and the shared vision of improving embryo culture systems from dish to delivery.

At EmbVisage 1.0, we are proud to offer a platform where global experts, passionate researchers, and thought leaders unite to exchange ideas, spark dialogue, and shape the future of IVF laboratory standards. From keynote addresses to expert panels, from hands-on workshops to spirited debates—every moment is designed to inspire, educate, and elevate our collective practice.

We invite you to immerse yourself in this vibrant exchange of knowledge and to be part of a movement dedicated to advancing outcomes for patients around the world. Together, let us reimagine the journey of life, one embryo at a time.

Welcome aboard—your presence marks the beginning of something remarkable.

Warm regards, **Team EmbVisage 1.0**Department of Biomedical Engineering & CfHE, IIT Hyderabad

# **OFFICE BEARERS**

#### Chief Patron

B.S. Murty
Director, Indian Institute of
Technology Hyderabad

#### Conference Chair

Renu John

Professor, Department of Biomedical Engineering
Director, Center for Healthcare Entrepreneurship
(CfHE), IIT Hyderabad

#### Conference Co-Chair

Sandeep Karunakaran Medical Director, Oval Fertility, Hyderabad

#### Scientific Chair

Alex C Varghese
Director – Research & Innovation, Fertility
Associates, New Zealand

#### Conference Secretaries

Sanketh Dhumal Satya
Senior Embryologist & Cluster Manager,
Apollo Fertility, Hyderabad

Tejaswini G Sanketh
Senior Embryologist & Trainer, LifelnVitro
Academy (LIVA), CfHE – IIT Hyderabad

#### Conference Coordinators

Arun Patil
Junior Embryologist &
Trainer, LifeInVitro Academy
(LIVA), CfHE – IIT Hyderabad

Navaneeth Krishna Junior Embryologist & Trainer, LifelnVitro Academy (LIVA), CfHE – IIT Hyderabad

Manjoosha Yerrapragada
Research Associate

# SCIENTIFIC PROGRAMME

Day 1 (24<sup>th</sup> Jan 2026)

TIME	SESSION SESSION	SPEAKER(S)	MODERATOR/ CHAIRPERSONS
08:30–8:40	Introduction	Renu John	
08:40-09:00	Culture media from manufacturing to dish: Impact of variations in handling on outcomes	Sanjay Shukla	
09:00-09:20	Culture Under Pressure: The Genetic Cost of Suboptimal Lab Conditions	Sanketh S Dhumal	Mohan Kamat,
09:20-09:40	Gamete quality on Blastocyst utilization and quality	Varsha S Roy	Parasuram Gopinath
09:40–10:00	Futuristic Imaging in ART	Renu John	
10:00-10:10	Q &	A	
10:10-10:40	Inauguration	Prof BS Murty, Director, IIT Hyderabad	
10:40-11:00	Coffee B	reak	
11:00–11:30	<b>Keynote</b> : Laboratory KPIs: Rethinking Metrics and timings	Jason Swain	Renu John, Alex C Varghese
11:30–11:50	Making statistical sense in IVF unit	Mohan Kamath	
11:50–12:10	Culture optimization and harmonization in a network of clinics across different countries	Amy Barrie	Ruma Satvik, Suresh Kattera
12:10–12:30	Am I ready to treat patients? Personalized training and performance evaluation in IVF	Rita Vassena	ooresh Rahera
12:30-12:40	Q&/	Å	
12:40–13:20	Cleavage stage and Blastocyst stage ETs in poor responders  Panel Discussion: Brian Levine, Pranay Ghosh, Azif Khan, Jyothi Budi, Ruma Satvik, Nishad Chimote, Suresh Kattera	Experts: Vijay Mangoli, Fadi Choucair	Moderator: Parasuram Gopinath, Vasundhara Jagannathan

TIME	SESSION	SPEAKER(S)	MODERATOR/ CHAIRPERSONS
13:20-14:20	Lunch		
14:20-14:50	<b>Debate:</b> The house believes that ICSI is the standardised insemination technique	Rita Vassena vs Pranay Ghosh	Vijay Mangoli, Swaminathan D
14:50–15:10	Can all biopsied embryos implant? A quality issue	Fernando Bronet	
15:10–15:30	How maternal age shapes early human embryo development	Kenji Ezoe	Gaurav Majumdar,
15:30–15:50	Automation in the IVF lab	Jason Swain	Jyothi Budi
15:50–16:10	Anatomy of Failure: IVF Product Toxicity, QC Gaps, and Recalls	Fadi Choucair	
16:10-16:20	Q & A		
16:20-16:40	Coffee Brea	K	
16:40–17:00	Culture media: A silent player behind IVF outcomes	Sujatha Ramakrishnan	
17:00-17:20	From Bench to Blastocyst: Process Control Strategies for Reliable Embryo Culture	Gaurav Majumdar	Amy Barrie,
17:20-17:40	New Alpha ESHRE consensus on Embryo ranking	Keshav Malhotra	Charudutt Joshi
17:40-18:00	A Critical Appraisal of Commercial Embryo Ranking AI Systems: Does the AUC truly reflect clinical aspiration?	Krishna Chaitanya	
18:00-18:10	Q & A		
18:10-18:15	Concluding remarks	of the Day	

### Day 2 (25<sup>th</sup> Jan 2026)

TIME	SESSION	MODERATOR/ CHAIRPERSONS	EXPERTS
09:00–09:45	New ovarian stimulation protocols. Are they better?  Panel discussion: Ben Mol, Brian Levine, Mohan Kamat, Rohit Gutgutia, Jay Mehta, Rajul Tyagi	Moderator: Sankalp Singh, Vandana Hegde	Experts: Ruma Satvik, Sandeep Karunakaran
09:45–9:50	Commercial -vendor product video display		
09:50–10:35	Challenge to Achieve Benchmark values of Fertilization Rate/BUR and improved cumulative live birth-  Panel discussion: Amy Barrie, Gaurav Majumdar, Fernando Bronet, Sarguna Devi, Naval Shah, Rahul Sen	Moderator: Bindu Chimote, Akash Agarwal	Experts: Sanjay Shukla, Goral Gandhi
10:35–10:40	Commercial -vendor product video display		
10:40-11:00	Coffee Break		
11:00–11:30	<b>Keynote:</b> Add-ons in IVF: which ones to use and which not to use	Ben Mol	Mohan Kamath, Sankalp Singh
11:00–11:30	<b>Key note:</b> Beyond Intuition: Al as the New Clinician's Partner in Reproductive Medicine 4.0	Brian Levine	Suresh Kattera, Sandeep K
11:30–12:15	Embryo Culture: Overview, Unusual Events, and Troubleshooting- case scenario based  Panel discussion Fernando Bronet, Fadi Choucair, Vijay Mangoli, Ritesh Agarwal, Manisha Vajpayee, Guruprasad Kalthur	Moderator: Ashwini Kale, Naval Shah	Expert: Alex CV, Suresh Kattera
12:15–12:20	Commercial-vendor product video display		

TIME	SESSION	MODERATOR/ CHAIRPERSONS	EXPERTS
12:20–13:00	Freezing the Future: Optimizing Oocyte & Embryo Vitrification for Higher Viability and Implantation-  Panel discussion  Kenji Ezoe, Goral Gandhi, Suvarchala C, Gaurav Kant, Aravind R, Pranay Ghosh	Moderators: Durai P, Sanketh S Dhumal	Experts: Keshav Malhotra, Nishad Chimote
13:00-14:00	Lunch		
14:00–14:20	<b>Key note:</b> Stressors in the IVF laboratory	Satish Adiga	Gaurav Majumdar, Bindu Chimote
14:20-14:25	Commercial -vendor product video display		
14:25–15:00	Innovation or Intrusion? Evaluating the Evidence for Culture and Sperm Selection Add-ons –  Panel discussion: Jayalakshmi Shrof, Sanjay Yatnale, Hetal Shukla, Vasundhara J, Sarvjaya S, Charulata Chatterjee	Moderator: Dayanidhi Sharma, Chandan N	Experts: Rita Vassena, Ved Prakash
15:00–15:05	Commercial -vendor product video display		
15:05–15:25	Is there a better embryo culture media?	Fernando Bronet Campos	Sanjay Shukla, Sarabpreet Singh
15:25–15:45	Coffee Brea	k	
15:45–16:15		TBD	Aarti Deendayal, Srinivas MS
16:15-17:00	Batch IVF: Practical Challenges and Real-World Fixes-  Panel discussion:  Ved Prakash, Aarti Deenadayal, Charudutt Joshi, Vijaykumar Chelur, Srinivas MS, Prasad G	Moderator: Swaminathan D, Sarabpreet Singh	Experts: Sandeep Karunakaran, Durai P
	Closing Ceremony & Vote of Tha	nks	

# POST CONFERENCE WORKSHOPS

# Clinic to Crorepati Business Masterclass for Fertility Entrepreneurs

Date: 26th January 2026

Venue: CC2 Auditorium, Indian Institute of Technology, Hyderabad

This exclusive one-day post-congress workshop, following the EmbVisage 1.0 International Congress, is designed for IVF unit owners, Gynecologists planning to invest in Fertility ventures, clinical and scientific directors, senior embryologists, and fertility entrepreneurs. The sessions are curated to offer strategic insights into the business, operational, and technological dimensions of modern fertility practice.

#### Full-Day Workshop Agenda 08:00 – 18:00

TIME	SESSION AND TOPIC	SPEAKER
08:00- 08:10	Welcome & Introduction to the Workshop	<b>Dr. (Col) Sandeep Karunakaran</b> Medical Director, Oval Fertility, Hyderabad

The IVF Business Model - Where Medicine Meets Metrics

#### Venture Capital/Private Equity-backed vs Promoter-led Strategies in Fertility Care

The session will provide a comprehensive overview of fertility unit economics, including:

- Revenue streams and patient acquisition funnels
- · Cost centres and operational efficiency
- CapEx vs OpEx decisions in IVF labs
- EBITDA, NPS, and other financial and experience KPIs
- Models for achieving sustainable profitability without compromising care

<b>Promoter-Led Models</b> – led by clinician-entrepreneurs and founders with a deep clinical vision, focusing on long-term reputation, autonomy, and organic growth.	S Chandrasekhar (CEO, Oval fertility) -15 minutes

TIME	SESSION AND TOPIC	SPEAKER
08:25-08:40	VC/Private Equity-Driven Models – led by professional financial investors, focused onscalability, EBITDA, brand valuation, and return on investment.	Amit Mangal (CFO)- 15 minutes
08:40-08:50	Select Q &A- 10 minutes	

New Era Marketing (and Branding) Practical Checklist Major aspects of marketing will be covered in a structural way, so you can take it and apply in your business. A framework-based session along with checklist, document and a supporting Al tool. Will cover, CAC/LTV, Budget, Goal setting, core components (media, communication, infra and KPI). Major media esp Google My Business, AEO, SEO, SEM etc we will touch along with ATL, BTL, TTL decision making. A session that will shape your thinking process for new era marketing.

#### Marketing Tool Stack (CRM & Beyond) for Fertility Care

Data if used correctly improves personalization and effectiveness. Storing data across the funnel using marketing automation, CRM and other tools to automate follow-ups, streamline patient communication, and increase conversion. How to integrate CRM, EMR, WhatsApp, Call Centers and other tools in a cost-effective manner. See it in a practical setup.

08:50-09:30	Everything You Need to Master Marketing	Aji Issac Mathew CEO Cofounder TechShu & DMU
09:30-09:40	Select Q &A- 10 minutes	

#### **Blueprints of Success: Building Fertility Practices That Last**

Insights from a single-centre IVF pioneer and a multi-site leader, with discussion on challenges, pivots, and lessons learned.

09:40–10:00	Scaling Without Losing Soul: The Art of Doctor-Led IVF	Sabine Sivadasan
	Success"	Chairman and managing
		director, Sabine Hospital
	Lessons from building a thriving standalone clinic	and research Centre
	rooted in medical integrity and community trust.	Private Limited, Kerala.

TIME	SESSION AND TOPIC	SPEAKER
10:00–10:20	Scaling Without Losing Soul: The Clinician's Role in Scaling IVF Networks  How medical leadership drives standardization, team culture, and patient trust across sites.	Durga.G.Rao Medical Director-Oasis Fertility
10:20-10:30	Select Q &A- 10 minutes	
10:50-11:10	Coffee Break	
11:10-11:40	<ul> <li>Panel Discussion: Scaling Without Losing Soul: The Art of Doctor-Led IVF Success- Lessons from building a thriving standalone clinic rooted in medical integrity and community trust.</li> <li>Panellists: <ul> <li>Sures M, CEO Sunfert International Fertility Centre</li> <li>Anubhav Prasant, COO - Apollo Cradle &amp; Apollo Fertility</li> <li>Vinesh Gadhia, Executive Director &amp; CEO Ferty9 Center</li> <li>Kiran Gadela, Co-Founder &amp; Managing Director Oasis Fertility</li> </ul> </li> </ul>	Moderators: Dr. (Col) Sandeep Karunakaran Medical Director, Oval Fertility, Hyderabad  Madhur Singhal Managing Partner and CEO Praxis Global Alliance
11:40–12:00	Reimagining Fertility Clinics as Impact Enterprises: India's Opportunity	Kiran Gadela Co-Founder and Managing Director, Oasis Fertility
12:00–12:30	Attracting Equity & Foreign Investment in Fertility Practice -What investors look for in IVF businesses, why some international players hesitate, and how to become acquisition-ready	Ashish Tavildar Associate Director Grant Thomton Bharat LLP
12:30-12:40	Select Q &A- 10 minutes	

TIME	SESSION AND TOPIC	SPEAKER
12:40–13:20	Panel Discussion: From Practice to Network Enterprise: Structuring IVF clinic governance, corporate organizational framework and IVF business models:	Moderators: Dr. Brian Levine Founding Partner at CCRM Fertility USA
	<ul> <li>Panellists:</li> <li>Rita Vassena, CEO, Fecundis, ESHRE Exec. Member, Med. Director, CooperSurgical</li> <li>Alex C Varghese, Director – Research &amp; Innovation, Fertility Associates, New Zealand</li> <li>Dr. (Col) Sandeep Karunakaran, Medical Director, Oval Fertility, Hyderabad</li> <li>Krishna Chaithanya, MBBS, MSc (Clinical Embryology) Scientific Head and Clinical Embryologist Oasis Fertility</li> <li>Amy Barrie, Chief Scientific Officer, Future Life Group UK</li> <li>Jyoti Budi, Medical Director at Ferty9</li> </ul>	Vandana Hegde Clinical Director, Chief IVF Consultant at Hegde Fertility, a Unit of Hegde Hospital
13:20-14:00	Lunch Break	
14:00–14:40	Panel Discussion: Fertility Frontlines: Industry Perspectives on the Future of IVF Labs in India Insights from Pharma, Device, and Consumables Leaders on Innovation, Access, and Market Growth  Panellists:  • Shilpa Arora, Director; Business Unit Head - Fertility Merck Group  • Jaikanth M, Chief Financial Officer, SAR Healthline Pvt Ltd  • Ashish Modi, CEO & Medical Inventor Shivani Scientific Industries Pvt Ltd  • Amit Bhatnagar, Vice President Asia Pacific Fertility Solutions CooperSurgical	Moderators: Alex C Varghese Director – Research & Innovation, Fertility Associates, New Zealand  Chandrasekar S (CEO, Oval fertility)
	Vivek Soares, Country Lead, India & South Asia Organon Asia Pacific	

TIME	SESSION AND TOPIC	SPEAKER
14:40–15:10	Financial Fitness for Doctors – Personal Wealth Planning & Risk Management Core financial planning for clinicians including insurance, investments, FIRE strategy, and tools to manage personal and professional finances.	Nitin Jagtap Consultant Gastroenterologist AIG Hospitals
15:10–15:30	The Billionaire Mindset in Fertility Business- The entrepreneur: wealth thinking, diversification, long-term brand value.	Vinesh Gadhia Executive Director & CEO Ferty9 Center
15:30–15:50	Cybersecurity, Digitization and Data Safety in Fertility Unit - Best practices for protecting sensitive patient data, managing digital risks, and embracing paperless ecosystems.	Arvind Sivaramakrishnan The CIO of Karkinos Healthcare
15:50–16:00	Select Q &A- 10 minutes	
15:50–16:00 16:00–16:20	Select Q &A- 10 minutes  Coffee Break	
16:00–16:20 Corporate Culture		aligning values, better
16:00–16:20 Corporate Culture	Coffee Break  and the Human Side of Scale Leadership beyond structure: of	Sures M CEO Sunfert International, Malaysia
16:00–16:20  Corporate Culture patient experience	Coffee Break  and the Human Side of Scale Leadership beyond structure: a , retaining talent, and building a mission-driven team.  Talk 1: Investing in People – Building a Happy Workforce  People Before Protocols: Building a Culture That Retains and Empowers" Strategies for creating a	Sures M CEO Sunfert

TIME	SESSION AND TOPIC	SPEAKER
17:10–17:45	Clinic Confidential: Open Q&A and Strategic Cross-Talk with the Experts  Session Format: An informal, interactive closing session designed to foster candid conversations and practical takeaways. This is a unique opportunity for participants to:  • Ask specific questions related to clinic ownership, IVF business strategy, exit planning, or scaling models  • Gain tailored advice on financial planning, equity investment, branding, or operational optimization  • Learn from the journeys of successful founders, investors, and executives  • Explore real-life challenges and get direct input from panelists in a consultative, peer-learning format	Moderator: Sanketh Dhumal, Senior Embryologist, Cluster Manager, Apollo Fertility, Hyd  Dr. (Col) Sandeep Karunakaran Medical Director, Oval Fertility, Hyderabad
17:45–18:00	Closing remarks	

#### Trophectoderm Biopsy – Hands-on Clinical Training

**Date:** January 26, 2026

Venue: Lifeinvitro Academy Micromanipulation Suite, CfHE – IIT Hyderabad

Time: 09:00-17:30

Seats: Limited to 20 participants

Conveners: Varsha S Roy and Paresh Makwana

Coordinator: Tejaswini G Sanketh

Morning Session: Focused Lectures & Orientation

TIME	TOPIC	SPEAKER
09:00–09:30	Embryo Biopsy in the IVF Lab: Workflow, Timing, and Equipment Setup	Fadi Choucair
09:30–10:00	From Biopsy to Genetics: Ensuring Sample Quality for Reliable PGT-A/PGT-M	Fiona D'Souza
10:00-10:20	Coffee Break	
10:20–10:45	Orientation & Safety Briefing: Dish Prep, Laser Settings, Witnessing	Varsha S Roy Paresh Makwana

#### Hands-on Rotation Across Biopsy Workstations

Participants will be divided into 5 groups, rotating every 60 minutes. Each station will have one expert tutor.

#### Workstation Rotations (11:00-17:00)

Includes 1 hour lunch break and 2 short tea breaks.

#### Focus Area at each station:

- Biopsy Setup & Biopsy, Holding Pipette Calibration
- Trophectoderm Biopsy Technique Laser Pulse
- Advanced Biopsy Techniques & Troubleshooting
- Vitrification Interface Post-Biopsy
- Tubing Station (1-2 setups)

STATION	FACULTY
Station 1	Vakeel Jagveer Singh &
Cooper Surgicals	Pooja Awasthi
Station 2	Ram Prakash &
Intermedics	Nidhi Singh
Station 3	Paresh Makwana &
Igenomix	Fadi Choucair
Station 4	Varsha Samson Roy &
Anderson's	Fiona D'Souza

#### Lunch Break: 13:00 - 14:00

Short tea breaks between rotations at 15:30 and 16:30.

#### Closing Summary & Q&A Panel

Time: 17:00-17:30

- Recap of biopsy protocols
- Critical error prevention steps
- Best practices in embryo handling
- Certificate distribution

# Quality Control & Management in IVF Labs

**Date:** January 26, 2026

Venue: CCE Seminar Hall, IIT Hyderabad

Time: 09:00-17:30

Seats: Limited to 25 participants

Conveners: Naval Shah, Akash Agarwal

**Coordinators: Arun Patil** 

Morning Session: Theory & Case-Based Learning (Lecture Hall)

Each talk is 30 minutes including Q&A

TIME	TOPIC	SPEAKER
09:00–9:10	Introduction to the workshop	Naval & Akash
09:10-09:30	Principles of Quality Management Systems (QMS) in IVF- Understanding Accreditation & QC Documentation Standards	Akash Agarwal
09:30-09:50	How to Set Up & Audit Daily, Weekly, and Monthly QC Protocols	Ramprakash
09:50–10:30	Understanding Air Quality Control Lecture 1: VOCs, CFUs, and HEPA Integrity	Lecture 1:Upendra Sathe
	Lecture 2: Practical and case scenarios in the IVF laboratories	Lecture 2: Parag Nandi
10:30–10:40	Q &A	
10:40-11:00	Coffee Break	
11:00–11:20	Troubleshooting in IVF: Case Studies on pH, CO <sub>2</sub> , and Temperature Drift	Naval Shah
11:20–11:40	Interactive Session-Validation and Calibration: SOPs for Instruments & Environment Monitors	Sandeep Tawte, Nishad Chimote
11:40–12:20	Panel Discussion: TQM at the kickstart of an IVF program: Vijay Kumar Chelur, Dileep, Nancy Sharma, Phalguni Patro, Trisha Mishra, Pooja Awasthi	Moderator: Charulata Chatterjee, Saroj Agarwal

TIME	TOPIC	SPEAKER
12:20–12:40	Remote monitoring in IVF labs	Kersi Avari
12:40–12:50	Q & A	

Lunch Break: 12:50 -13:50

Afternoon Session: CCE Seminar Hall, IIT Hyderabad (LIV QC Suite)

Participants will rotate through stations in small groups. Group discussion and demonstration at each station by experts.

CO2 & O2 Analyzer Use - Measuring gas levels in incubators, Temperature Calibration - Plate reader, stage heater, dry block, oil temp tools, pH Analysis - Blood gas analyzer, tabletop pH meters, calibration methods, VOC and Air Quality Monitoring - VOC meters, settle plates, digital logs, Alarm Testing and QC Log Maintenance - Setting threshold limits, dummy alarms, SOP checklists

STATION / MODULE	VENDOR/EXPERT
Station 1	S-Tech
Station 2	Shivani
Station 3	Coopersurgical
Station 4	Krishco
Station 5	Intermedics
Station 6	ShineLife

#### Wrap-up & Q&A Panel

17:10-17:30

- Summary of key takeaways
- Open discussion on site-specific challenges
- Workshop certificate distribution

# Sperm Selection in ART – From Principles to Practice

**Date:** January 26, 2026

Venue: Lifeinvitro Academy Andrology & Micromanipulation Training Lab, CfHE – IIT

Hyderabad

Time: 09:00 - 17:30

Seats: Limited to 20–24 participants

Conveners: Charulata Chatterjee, Rahul Sen

Coordinator: Navaneeth Krishna

Morning Session: Focused Lectures & Orientation

TIME	TOPIC	SPEAKER
09:00–09:20	Physiological vs Non-Physiological Sperm Selection: Evidence-Based Review	Sarguna Devi
09:20–09:40	Emerging Technologies in Sperm Selection: From Microfluidics to Al Models	Rahul Sen
9:40–10:10	Panel Discussion: Adoptions vs adaption of sperm selection techniques: Hetal Shukla, Raghavendra Kosgi, S Sasanka, Sinduja Srinivasan, Shalini Revuri, Trisha Mishra	Moderator: Bindu Chimote, Charulata Chatterjee
10:10–10:40	Surgically retrieved sperm and cryopreservation	Guruprasad Kalthur
10:40-10:50	Coffee Break	
10:50–11:00	Orientation Briefing: Station Setup, Rotation Protocol, QC & Safety	Navaneeth Krishna
11:00–17:00	Hands-on Training via Rotational Workstations	

#### Lunch Break: 13:00-14:00

Afternoon Session: Hands-on Training via Rotational Workstations
Participants will rotate in groups across six expert-led stations, with 1-hour lunch and 2 short tea breaks.

WORKSTATION	HANDS-ON FOCUS AREA	COMPANY
Station 1: PICSI Dish- Based Selection	Using hyaluronan-binding to select mature sperm; indications and technique	Coopersurgical
Station 2: Magnetic- Activated Sorting	MACS (Candor Life Sciences setup): Removal of apoptotic sperm via Annexin V-conjugated beads	Candor Lifesciences
Station 3: Microfluidic Sorting	Sperm separation based on motility/morphology using microchannels; live setup with devices	Zymot, Lenshook, Krishco product
Station 4: Al sperm selection in SSR cases	Al sperm selection is an emerging technology used to identify high-quality sperm for ART, in Surgical Sperm Retrieval (SSR) cases, especially in Non-Obstructive Azoospermia (NOA) patients where sperm are scarce and difficult to find.	Dale Goss from AUS
Station 5: Testicular Sperm + Chemical Activation	Selection and chemical activation (e.g., calcium ionophore) of retrieved testicular sperm (Gynemed/SAR health)	Sagar Chavan
Station 6: Al-Based Selection	Introduction to software-assisted sperm analysis and AI tools; demo with available platforms	Baibys, IL

Short Breaks: 15:30 & 16:30 during rotations.

#### **Closing Discussion & Certificate Distribution**

Time: 17:00 -17:30

• Summary of station learnings

Q&A with expert tutors

• Certificate handout and group photo

### **ABOUT THE VENUE**

IITH: Nestled in the heart of Telangana's innovation corridor, the Indian Institute of Technology Hyderabad stands as a beacon of excellence in technology, research, and entrepreneurship. Renowned for its cutting-edge labs, visionary faculty, and vibrant campus culture, IITH fosters a unique ecosystem where ideas transform into impactful realities.

### **ABOUT HYDERABAD**

Hyderabad: A harmonious blend of heritage and modernity, Hyderabad is a city where centuriesold traditions meet a thriving tech-driven future. Known for its iconic landmarks, warm hospitality, and dynamic business environment, it serves as a bridge between culture and innovation, making it a natural home for global collaborations.
